## **Photos**

We are collecting Class of 2023 photos to be **used for our Senior Video during graduation.** Due to online school last year, we do not have many photos. So, please when you see some juniors hanging out, SNAP A PIC! We need your help to ensure all students and all aspects of life at Langley are represented (sports, performing arts, social, academic, etc.). Group shots of this year's juniors engaging in Langley activities are preferred. Be creative... remember, these photos will be your student's Langley memories! Please identify the students in the pictures when submitting. Ali Simanson will be collecting the photos.
