

Overview: Boot Camp is designed to prepare students for the math course they will be taking during the 2019-2020 school year. We offer camp for students entering Algebra 1, Geometry, Algebra 2, and Pre-Calculus. The two-week session will be spent reviewing prerequisite knowledge and introducing new concepts that will be taught during the upcoming school year. Students will receive lessons that are hands-on and interactive. The program is taught by Langley High School math teachers. Class sizes are small (around 10 students), so students receive lots of individual attention and continuous feedback.

Dates: *Camp 1 - Algebra 1/Algebra 2 Camp (taught separately):* July 8-19.

Camp 2 – Geometry Camp/PreCalculus Camp (taught separately): July 22-Aug 2.

Time: 9 am – 1 pm (This includes a 15-minute stretch break and 30-minute lunch break. Food is not provided.)

Location: Langley High School

Cost: \$200.00

Registration: To register please complete the form and return it along with a check payable to Langley High School to:

Pam Douglas
Langley High School
6520 Georgetown Pike
McLean, VA 22101

Questions: If you have any questions about the Math Boot Camp, please contact Pam Douglas via email at Pamela.Douglas@fcps.edu.
