

Application Information for the STEM Diploma Seal

This STEM Seal will be available as an option for graduating seniors in the Class of 2019 and beyond. This seal will eventually replace the Advanced Mathematics and Technology Seal. The Advanced Mathematics and Technology Seal remains available, along with the STEM Seal, for students who entered 9th grade in the 2017-18 school year and prior.

Criteria for Award

The Board of Education's STEM Seal shall be awarded to students who earn either a Standard Diploma or an Advanced Studies Diploma and

- *satisfy all Math and Science requirements for the Advanced Studies diploma with a "B" average or better in all course work, and*
- *successfully complete a 50-hour or more work-based learning opportunity in a STEM area, and*
- *satisfy all requirements for a Career and Technical Education concentration. A concentration is a sequence of two or more state-approved courses within the same discipline as identified in the course listing within the [CTE Administrative Planning Guide](#), and*
- *pass one of the following:*
 - *a Board of Education CTE STEM-H credential examination, or*
 - *an examination approved by the Board that confers a college-level credit in a STEM field*
