

WELCOME TO SENIOR YEAR CLASS OF 2022!

We are thrilled to welcome the students back to in-person school this year! We are planning on a traditional year for the students, one which would include Homecoming, Prom, Graduation, etc. We are really hoping that this year goes off without a hitch, but we are asking parents to be flexible. We may not be able to volunteer in our traditional roles and may have to work virtually or pivot quickly to provide support for our students. We are grateful to everyone for your patience as we continue to try to get an understanding of how the school year will unfold.

PARENT FORUMS:

We will continue with our Parent Forums to provide you with pertinent information. We intend to hold them in-person with a virtual component as we always have. We will provide more details as our schedule solidifies but we are currently looking to hold the forums at **9:30am** on one day during the weeks of:

October 4-8

February 7-11

April 11-14

Formalized dates will be announced well in advance.

SENIOR COLLEGE NIGHT:

The Student Services Department will hold the Senior College Night on **Wednesday, September 1 at 6:00pm**. This program is **MANDATORY** for students. We are still awaiting approval if parents can attend and if we can host a dinner. If not, our intent is to livestream the program. More details to follow.

SENIOR CLASS PORTRAITS:

Hopefully you received word from Prestige Photos regarding the Senior Portraits. The latest round of photos will be held on August 9, 10, and 11. If you cannot make these dates, you may schedule an appointment at lifetouch.co/contact-us/ and "Schedule my appointment."

GRADUATION DATE AND DETAILS:

We are waiting for confirmation from FCPS of the graduation date and location.

SENIOR CLASS DUES/ACTIVITY FEES:

An activity fee of \$35 to cover homecoming t-shirts and class activities, such as treat days will be collected. Additional fees for graduation, All-night Graduation Party, and other year-end activities have yet to be determined by Langley and FCPS.

To pay for your fee and **order your homecoming t-shirt**, please log on to <https://www.myschoolbucks.com/ver2/stores/getstoremain>.

SENIOR YEARBOOK ADS:

A popular tradition is to place an ad for your senior in the yearbook. Information will be forthcoming; the deadline is typically in November.

COMMUNICATION:

We highly encourage you to join our Facebook page, LHS Class of 2022 Parents <https://www.facebook.com/groups/1739869332728480>

as well as our email distribution list found on our website: <https://www.ptsalangley.org/class-of-2022>.

Our Facebook page is a closed group and very pertinent to our parents and students. The Facebook page allows us to disseminate information very quickly to members. It has been a vibrant page that has provided valuable information and a great place for an exchange of ideas.

We really want to reiterate that we are here for you. We will again continue to provide any information that we get as we receive it.

Thank you so much for your patience, cooperation, and support.

Amy Swaak
