

Step 1: Teachers

—

I am struggling in a class, what do I do? Your teacher is the first point of contact.

- **Step 1:** Define specifically what you are struggling with (e.g. test scores, homework completion, understanding specific concepts).
- **Step 2:** Request a meeting with your teacher.
 - Langley Links Request
 - Email the teacher
 - Talk to teacher after class
 - Before/After School by Appointment (**link to late bus info**)
 - Late Bus Info: Mondays and Wednesdays until 4:45
 - Students should make appointments with teachers to ensure they will be after school on these days. Students must receive a bus pass in the cafeteria in order to ride the bus home.
- **Step 3:** Develop a plan with your teacher and determine a time to follow up.

How do I find my teacher's email address?
