message from the ptsa president

LANGLEY HIGH SCHOOL

It's finally October. The kids are in a routine, and all that back-to-school paperwork is done, right? But with all those forms and checks and MySchoolbucks links, can you remember if you've joined the PTSA? We've made it easy for you! Just click [here](#) to verify that you're a member.

If your name is not yet on the list, **membership is a click away**. In a minute or less, you can support all the programs of the PTSA: technology, teacher appreciation, classroom teaching tools, fine arts support and much more. **Join today**, using this [link](#). Thanks for your support!

- Patty Burgess, PTSA President

langley read author visit

Langley is pleased to host Andrew Forsthoefel next Thur, Oct 11, when he will speak with the junior and senior classes about his book, *Walking to Lister: 4000 Miles Across America, One Story at a Time*. The highly acclaimed work, a reflection of the year the young author spent walking across America, has been described as remarkable, soulful and moving. The Saxon community chose Forsthoefel's book as this year's Langley Read for upperclassmen.

Forsthoefel will conduct a **listening workshop** (open to all students) in the Library and a **book signing** during lunch and after school. **Video streaming** of the event will be available. We want to **thank the Langley PTSA** for generously supporting the Langley read program and this upcoming author event.

medical club meeting

The **Medical Club** interest meeting will be held on **Fri, Oct 5** during Saxon Time in Room 2024. Come hear the first speaker, our own **Ale van Skoyce Zepeda**, who started a program last summer in Guatemala to help babies with facial birth defects. The club will **meet during Saxon Time on the first Friday of the month and once a month after school on Thursdays**. We'll host **engaging speakers** and have **entertaining projects and activities** throughout the year. If you're interested in the medical field, come and join! Can't attend? Contact **Ms. Jones** at BJones@ptsa.edu

congratulations

Congrats to Saxon Golfers! The boys' team took home the district title from the **Liberty District Golf Tournament**, held Sept 25 at the Hemdon Centennial Golf Course.

Kudos to Coach Shifflet, who posted her **40th career win with LHS volleyball!** The squad reached the milestone with a win against Yorktown HS on Sept 27. Under Coach Shifflet, who started the program in 1999, the Saxons have won two state crowns, five regional championships, and numerous district titles.
